On SAPR and Leadership Involvement:

“I'd say it's pretty well in the forefront of a lot of leadership's mind. It's definitely something that's always being put out, so nothing is being put on the back burner by anyone in the command.” – (E5-E6 Male)

On Training:

“I did appreciate that bystander intervention training tried to incorporate that you being a bystander and intervening doesn't have to be just a situation that could potentially lead to sexual assault, but all aspects. I thought that was really useful.” – (O1-O3 Female)
