She stated that in Spring Semester 2011. SFC Y walked into the famele lattine on two separate incidents and saw her naked once in the shower not once getting out of the shower. During Fall Semester, 2012. SFC Y conducted what she believed to be a room search in the back of one of her drawers. Cadel X believes that here was not any reason for the search and was not notified by her Company Security Officer of any security checks On January 2012.
