

*Welcome to DoD's only
online prevention community
of practice!*

About SPARX Connection

SPARX Connection is an online community of practice designed to foster collaboration and learning among DoD professionals working to prevent child abuse and neglect, domestic abuse, harassment, sexual assault, and suicide.

MEMBERSHIP

Civilian and uniform personnel in the DoD and Coast Guard are invited to join.

PURPOSE

This online resource is focused on addressing opportunities and challenges common across DoD's violence prevention workforce. This type of collective learning is critical to advancing the use of research-informed activities to address issues faced by the DoD community. By working together, members will have the greatest impact!

TOPICS

Members will find prevention resources from a variety of policy areas, including:

- Child abuse and neglect
- Domestic abuse
- Harassment
- Sexual assault
- Suicide

Members can access resources provided by the Military Departments, Military Services, National Guard Bureau, and the Coast Guard. Plus, members are just one click away from directly accessing the Service offices most directly involved in integrated prevention efforts.

DISCUSSIONS

Members with questions or ideas can post in the Discussion area. Learning and sharing with each other helps the entire community!

SPARX Connection Resources

SPARX Connection is intended to be a one-stop shop for those working prevention efforts across DoD. To facilitate easy access to the range of resources, the site is organized in the categories shown below.

Members can visit each category for content posted by OSD and Service policy offices as well as by other members.

Join today!

Just two quick steps to join...

- 1 Join DoD's unclassified All Partner Access Network (APAN) at www.apan.org.
- 2 After APAN membership is approved, search within APAN for "**DoD SPARX Connection Community**", and click on the "**JOIN**" button in the upper right of that landing page.

To ensure membership is restricted to the DoD community, please provide your ".mil" email address when requested.
